Re: Brady Violations

The Lansing Police Department has two current officers who have sustained complaints for truthfulness.

The first is Daryl Green from a complaint in June of 2000.

**Summary:** On June 22, 2000 a subject was arrested by Green for trespassing. Green used force in affecting the arrest, but didn't complete a use of force report. A report was filed by the subject for excessive force. During the interview process with Internal Affairs, Green was not truthful regarding the fact force was used, but quickly recanted his account of the incident to Internal Affairs.

4 THE COURT: People versus Todd Parsons, Case  
5 Number 06-55282.

#### **6 Counselors?**

7 MR. FLOOD: Good morning, Judge, Todd Flood on  
8 behalf of Mr. Parsons.

9                           Judge, I believe we've reached a settlement in this  
10                          case.

11 MR. BAKER: Douglas Baker on behalf of the  
12 Attorney General's Office, your Honor. Good morning -- good  
13 afternoon.

14 MR. FLOOD: May we approach, your Honor, for one  
15 brief moment?

16 THE COURT: Sure.

17 (At 12:11 p.m., side bar)

18

19 (At 12:14 p.m., on the record)

20

21 giving my client and myself a Plea & Cooperation Agreement.  
22 We're, at this time, willing to accept that agreement. However,  
23 Judge, at side bar we had an opportunity to talk to this  
24 Honorable Court and place on the record that or I would like to  
25 place on the record that at the time of sentencing, when that

1 takes place sometime down the future, a Cobb Evaluation, that my  
2 client be sentenced to a fine without probation.

3 THE COURT: All right.

4 MR. BAKER: Your Honor, we have provided the Court  
5 with a Plea & Cooperation Agreement that we're asking be made  
6 part of the court file. And, of course, the agreement speaks for  
7 itself. We are not taking the position as to what the sentence  
8 ought to be. We, according to the terms of the agreement, want  
9 that entirely within the Court's discretion. We are asking that  
10 this sentencing be continued until he testifies, at least, at the  
11 preliminary exam of Gabriel Seibt and then after that proceed  
12 with sentencing. That case has been stayed at the moment. It has  
13 no date because of a legal issue on the case that's being  
14 appealed to the circuit court. When that legal issue is  
15 resolved, it will be back within the 36th District Court for exam  
16 and we would ask that the sentencing be scheduled after that.

17 THE COURT: Very well. In connection with the  
18 plea agreement that has been properly signed by all parties, I  
19 will accept his plea and I'll withhold sentencing until such time  
20 it is appropriate that you bring it back to me.

21 MR. FLOOD: Thank you, Judge.

22 There's one thing that I would like to place on the  
23 record at this time. I would like Mr. Baker to voir dire my  
24 client to a factual basis, Judge. If we can do that.

25 THE COURT: Proceed, Mr. Baker.

1 MR. BAKER: Would you state your name for the  
2 record, please?

3 THE DEFENDANT: Todd Parsons.

4 THE COURT: Hold on one moment. I don't believe  
5 he has been sworn.

6 MR. FLOOD: No, he wasn't. We better swear him  
7 in.

8 THE COURT: Please raise your right hand, sir. Do  
9 you swear or affirm to tell the truth?

10 THE DEFENDANT: Yes, sir, I do.

11 THE COURT: Proceed.

12 TODD PARSONS

13 called by the People at 12:15 p.m. and sworn by the Court;  
14 testified:

15 VOIR DIRE

16 BY MR. BAKER:

17 Q Mr. Parsons, would you state how you were employed during  
18 the evening hours of Friday, June 24th, 2005?

19 A With the Michigan Department of State Police as a state  
20 trooper.

21 Q And were you on patrol that evening?

22 A Yes, I was, in the City of Detroit, County of Wayne.

23 Q And who was your partner?

24 A Trooper Gabe Seibt.

25 Q And in the course of the events of that evening did you and

1           Trooper Seibt have occasion to take into custody a man by  
2           the name of --

3     A     Roosevelt Dean.

4     Q     -- Roosevelt Dean?

5     A     Yes, sir.

6     Q     And in the course of transporting Mr. Roosevelt Dean from  
7           the place of arrest did there come a time when Trooper Seibt  
8           pulled into an alley?

9     A     Yes, there did.

10    Q     And what happened with that, when he did that?

11    A     He pulled into an alley, it was -- I don't know if it was an  
12           alley, specifically it was a drive-in between backyards. At  
13           that time, we both exited the vehicle. Trooper Seibt  
14           removed Mr. Dean from the vehicle. He was laying prone on  
15           the ground, Mr. Dean was. Trooper Seibt stepped over him,  
16           un-handcuffed him, stood back up. At that time, I looked  
17           around, I heard a dog bark or something, it caught my  
18           attention. I looked around. I looked back. Trooper Seibt  
19           was spraying Mr. Dean in the face with his pepper spray,  
20           departmental issue.

21    Q     Was Mr. Dean in any sense fighting or resisting Trooper  
22           Seibt at the time you looked around?

23    A     At that time, no.

24    Q     At any time?

25    A     Fighting, resisting, no. Profane, yes.

1 Q Now, had you, before reaching that point in the alley, had  
2 you determined that Mr. Dean was wanted on some outstanding  
3 arrest warrants?

4 A Yes. He had some misdemeanor warrants out for this court,  
5 the 36.

6 Q And just before stopping in the alley where was it, your  
7 belief, that you were going?

8 A It was my belief, immediately after arrest, that we were  
9 going back to the state police post. Then once we began to  
10 -- I realized we were on North I-75. At the time, I was not  
11 familiar with the city.. I then believed we were going to a  
12 precinct to lodge Mr. Dean.

13 Q For whatever you picked him up for?

14 A Yes. For disorderly conduct was what I understood the arrest  
15 to be for.

16 Q And that initiated the arrest in Greek Town, here in  
17 Detroit?

18 A Yes, sir.

19 Q Then it was after he was taken in the car on route that you  
20 learned he had other warrants out?

21 A Yes, sir. I ran him in LEIN on our mobile data computer in  
22 the patrol vehicle.

23 Q So you believed that you were taking him to a lockup?

24 A Yes, sir.

25 Q Now, after Trooper Seibert pulled over in the alley and after

- 1                   the Macing of Mr. Dean what happened then?
- 2   A   Trooper Seibt said, "Let's go." We got back in the patrol  
3                   car and we left the area.
- 4   Q   And did you leave Mr. Dean in the alley?
- 5   A   Yes.
- 6   Q   Now, at that point, did you realize that Trooper Seibt had  
7                   acted inappropriately if not criminally?
- 8   A   That was my belief that he acted inappropriately.
- 9   Q   And criminally?
- 10   A   Potentially, yes.
- 11   Q   Now, did you file a report with your department accounting  
12                  for your activities during that period of time that you had  
13                  Mr. Seibt in your custody?
- 14   A   Mr. Dean in our custody?
- 15   Q   Mr. Dean in your custody, yes, sorry.
- 16   A   As far as a report, do you mean a narrative or are you  
17                  speaking of our daily observation report --
- 18   Q   Your daily activity log, yes.
- 19   A   Yes.
- 20   Q   And what did you place on that log?
- 21   A   In reference to Mr. Dean?
- 22   Q   Yes.
- 23   A   We placed a property inspection for Greek Town, the Greek  
24                  Town area.
- 25   Q   In other words, you did not report the contact initially

1           with Mr. Dean on that activity log?

2   A    Correct.

3   Q    And did Trooper Seibt advise you on that entry on your log?

4   A    He did. As we pulled away from the alley area, I had my  
5        clipboard up, I turned the computer towards me with Mr.  
6        Dean's information on it. I asked Trooper Seibt if he wanted  
7        him on the daily, and he said, "No, just carry the PI Greek  
8        Town."

9   Q    "PI" meaning?

10   A   Property inspection.

11   Q   So you knew that you were, in effect, incorrectly or falsely  
12       making an entry on the activity log?

13   A   Correct.

14   Q   Now, subsequently did you learn that Mr. Dean had come  
15       forward and complained about his treatment at the hands of  
16       yourself and Trooper Seibt?

17   A   Yes.

18   Q   And was there some further discussion and action taken as to  
19       the activity log?

20   A   Yes. On Saturday, which would have been the 25th, Saturday  
21       or Sunday, one of the two days, Trooper Seibt contacted me  
22       at home, advised that a complaint had been made. He'd been  
23       contacted by Sergeant Simms, the on-duty sergeant. At that  
24       time, I told Trooper Seibt that we needed to have Mr. Dean  
25       "on paper," on the daily. He said that he understood that,

1 that he already recovered the dailies after turning them in  
2 and that they were in his locker at the post, which was  
3 unlocked, and that on Monday I could get the dailies from  
4 his locker and include Mr. Dean on the daily.
